Welcome Message

It is our great pleasure and pride to welcome you to the 3rd International Summit for Nail Diseases (ISND) on 20-22 November, 2015, in the historic capital city of India, New Delhi. The first and second ISND's were hosted in Athens and Marrakech in 2010 and 2013 respectively. This international event will be organized by the Nail Society of India (NSI) along with 4th ONYCHOCON, its yearly National conference on nail disorders.

ISND is a unique global platform which brings together incredibly talented researchers and clinicians working all over the world in the field of nail disorders. This conference aims to foster international knowledge exchange and to build inter-sectoral collaboration. NSI is a three year old academic organization committed to the cause of promoting nail research and nail knowledge. The society has successfully conducted exclusive CME's and three national level conferences (ONYCHOCON) on Nail in health and disease.

We are sure that with your support and active participation, ISND, an International Nail Extravaganza will prove to be an excellent platform to learn, to share and to disseminate knowledge and expertise in the field of nail disorders. We look forward to welcoming you in the vibrant city of New Delhi.
